

The Shepherd's Voice

July 2019

Beloved of God,

Thank you for your patience with the disruption to the building this summer. Here is an excerpt of a sermon preached on Sunday, June 9 that highlights why we are going through this disruption!

From the beginning this congregation has used its building for others - that's part of the congregation's DNA. The most striking example of this was when the building and the annex were used as a center for Southeast Asian refugee resettlement work and language classes. Yet still today, this building is used by Kinderhaus preschool, Al-Anon, Narcotics Anonymous, Friends of Recovery, the Quilts of Valor group, NE IA Path to Citizenship and their legal clinics, immigrant language classes, the Decorah Area Faith Coalition, Opportunity Homes, a garden club, a travel club – and those are just the groups that meet here regularly. This May we again hosted meals for Muslim students who were fasting during Ramadan. One student said to me, "To be so far from home, fasting all day is hard. Yet to know that people are caring for us and tending to the details in order to make us feel so loved and welcome, that means so much."

With all these groups and events and our own growing ministry, there are many days that we run out of space for everyone. The renovations will provide more workable space without expanding our footprint. We're getting a bathroom that is ADA accessible. We're gaining an additional good meeting room. We're reworking the education space to work better for our Sunday School and the Kinderhaus preschool. (I think it is important to note that 25% of our Sunday School kids are Kinderhaus students or Kinderhaus alums. What a gift Kinderhaus is to our congregation! Many congregations are trying to find ways to use their Sunday School rooms during the weekdays. Good Shepherd's rooms and our outdoor space are put to good use each weekday and we gain rental income to further our mission! Kinderhaus also gives us a chance to connect with families and kids.) Again and again, groups that meet here report how much they value having a safe place to meet. These renovations will make the spaces more private so that they feel even safer and more welcoming. In this process, we're also caring for God's creation by installing a geothermal-based heat pump system.

These renovations are expensive. And it is also part of Good Shepherd's DNA to not want to spend too much money on a building so that more can be given away. Yet, the work we're doing will allow us to better offer the gift of this building to those outside this congregation. It will help us to live out two key parts of our mission statement, our commitments to: "Welcome all, offering trust and respect while sharing God's unconditional love" and "Reach out to the broader community through service and responsible stewardship of all God's creation." God has given us such abundance, such gifts. We can use them to nurture a space that says to others: You belong, you are important, there is a place for you here. God's gifts are given for others. It's in the DNA of Christ's church and in the DNA of this congregation to look outward and serve. We can do this as we care for the gift of this building and offer it to others.

Thank you for being part of this congregation and for the ways you share God's gifts through this congregation and in your daily life!

Peace to you, Pastor Amy

Facilities Improvement Update

June building work began with demolition of the education wing interior walls and continued throughout the month with the construction of the new walls and related changes. The crews were slowed somewhat by a variety of challenges primarily related to the change in the wall between the sanctuary wing and the education wing as structural issues and asbestos issues were resolved. These have been worked out and the new walls and openings are underway. In the interim the initial wall work in the old Narthex was also started.

New Plumbing and HVAC work also began including new restroom and kitchen plumbing and the changes in the Fellowship Hall mechanical room. The exterior Geothermal work continued through the month despite wet conditions. This included the horizontal running of the lines throughout the back yard at depths of approximately 12'. These will be connected to both mechanical rooms in the building during the last week of June as the exterior geothermal construction winds down.

Interior work will move toward finishing walls, running electrical and fire alarm systems and installing new windows and doors in July. The HVAC units will also be run throughout the original building as well.

A great deal of assistance has come from a variety of directions in the congregation and is much appreciated. Much work left to do, but a very productive June will hopefully result in major accomplishments in July as well. Thanks to all for their patience and assistance with the project.

Good Shepherd Announcements

SPECIAL APPEAL ANNOUNCED

At its recent meeting, the Congregation Council approved a short-term appeal to fund stoles for our seminarians and

deacon. Good Shepherd is blessed to be accompanying 6 members for public ministry. Many congregations choose to give stoles to their seminarians and deacons upon ordination or consecration. It would be wonderful to give stoles created and woven by congregation member and professional weaver Barbara Berg, who created the stoles and paraments used at Good Shepherd (stoles pictured right). Barbara will be selling her business, so we need to order them this summer. The cost for 6 stoles is \$1500. A generous household has already pledged a \$500 match toward the cost of the stoles. Please consider funding these gifts by submitting a donation to the office by August 1. Checks should be made payable to Good Shepherd Lutheran Church with Stoles in the memo line. Nathan Wicks will receive the stole from Good Shepherd at his ordination, June 24.

SUSTAINABLE IOWA LAND TRUST - Good Shepherd members Sue & Lyle Luzum invite you to the first annual (we hope) *SILTFest* -- a friend/fund raising event for the Sustainable Iowa Land Trust. SILT is the non-profit land trust we donated our farm to. Please join us at Pulpit Rock Brewing Co Friday, July 19 at 7:00 pm for SILT farmer food samples, music by Kristin Eggen & Ben Hippen, and information/inspiration about SILT's mission -- AND meet the new family now on our farm! "We would be honored to have you join us."

All volunteer spots are an hour commitment or less. Can you take one spot this summer? It would be greatly appreciated! Donations are also still being accepted. Checks can be made out to "Kids Lunch Club" and sent to Decorah UCC, PO Box 470, Decorah, IA, 52101. To give electronically or to sign up to volunteer, please visit the website: www.kidslunchclub.org.

Good Shepherd's 2019 Krumkake Demonstration/Sale

In just 3 ½ weeks, Decorah will be celebrating its Norwegian heritage with the 53rd anniversary of Nordic Fest. Good Shepherd will also be preparing for their annual Krumkake Fest! Did you know that Good Shepherd has been participating in this event all 53 years?

We have made and sold thousands of those tasty, crumbly Norwegian treats through the years. Last year after expenses, we came up with a net income of \$2,500. These monies were given to Aase Haugen Homes, CNA and Seminary scholarships, GS mission assistance fund and Path to Citizenship, missionary support, Decorah Free Clinic and Community Food Pantry, EWALU, Helping Services of NE IA, Lutheran World Relief and

Lutheran Services of Iowa.

Planned by WELCA, the Krumkake demonstration and sale is an **all-congregation event**. Although this project is a fundraising event, we've found that it is a wonderful fellowship opportunity for all (families, men, women and children) working together baking, demonstrating and selling those little cone-shaped cookies. All ages are invited to participate, and no experience is necessary.

We have had to make a few changes this year due to the construction at the church. We will be baking on the weekends and the evenings (see schedule on the next page). We will begin preparing the batter on Saturday morning July 13 at 9:00.

This year, we will have a **Krumkake Sunday on July 14**. During the Fellowship Hour, we will have a baking demonstration and give you an opportunity to try your hand at baking. Krumkake will be available to taste on the table during Fellowship Hour and we will put Good Shepherd labels (from the Evangelism Committee) on all the baggies that are used for packaging the krumkake. This is another fun "all congregation" event as every table is given labels and baggies to prepare.

How Can You Participate?

Preparing Krumkake batter at church

We will be making krumkake batter and baking krumkake at church this year. We will be asking for donations (ingredients or cash) for preparing the batter. Sign-up sheets will be available at the church. Please have the ingredients to the church by July 12.

Baking

7 sessions are planned at **church**, or you may want to bake at **home** or with a friend in your home. Recipes will be available if you wish to bake at home. Come when you can and work only as long as you want. Bakers and rollers can sit down while working. If you are new to the krumkake baking experience, we will teach you (very easy to learn).

Prayer Shawl Ministry

Good Shepherd's Prayer Shawl Ministry began in 2005 and actively continues year round with approximately 10 members. So far this year we have given shawls to our new members, to our graduates who didn't receive a shawl for their Confirmation, to our newly Baptized babies, to those who have lost loved ones and to those who have been ill. The Judy Mikkelsen memorial money was recently designated for Prayer Shawl Ministry. We have used some to purchase yarn and for postage to send shawls out of town when needed. All the shawls that are made are brought to our meetings and a blessing is prayed over each one. We feel truly blessed for the support the congregation gives us. Thank you so much.

Although we don't meet during the summer months we continue to knit and crochet. It is always such an appreciated ministry. We know that from the thank you notes we receive from those who have been given shawls and prayer squares.

Should any of our members know of someone who is in need of a shawl, please contact Jeri Laursen or Connie Buresh. Plus, we always welcome new members. We meet the 3rd Wednesday of each month (except in the summer) in individual homes. Treats are involved also!

Thank you again to Good Shepherd for all their support of this ministry. - submitted by Jeri Laursen

In Search of Julian

Hazelnuts in Julian's cell in Norwich

I can't quite remember when I first learned about Julian of Norwich, a 14th century mystic, anchoress, and the first woman to write a book in English. Her writings, theology, and legacy have been important touchstones for me for many years. One of the first pieces I composed after arriving at Luther was a choral setting of one of her most famous writings, where God reveals the vastness of creation in the form of a hazelnut.

This fall, as part of my sabbatical project, I will return to Julian's writings and create a theater piece for solo soprano, dancer, and electronics based on her work. In preparation for this project, I have begun rereading Julian's "Revelations of Divine Love," and recently, I visited Julian's church in Norwich, where she lived as an anchoress for at least the last half of her life.

As I told a number of people I met during my visit, I wasn't quite sure why I traveled to Norwich, or what I hoped to learn. I suppose I simply had a desire to see the place where she lived, and that, perhaps, some idea, image, or sound would come my way and aid in my creative process. Mostly, what I learned is that Julian's church is quite small, very plain, and these days, surrounded by homes and business. In some ways, it feels like a typical "neighborhood" church—it blends in with its surroundings and doesn't really call attention to itself. And yet, Julian's church is a place of pilgrimage, attracting hundreds of visitors every year.

Mostly, what I learned in Norwich is that Julian's writings have engendered a devoted following, and that many people, from both Christian and non-Christian backgrounds, find wisdom and guidance in her words. The small group of volunteers who maintain The Julian Centre, a study and resource center next to the church, showed me a hospitality and kindness that Julian would have made Julian smile.

GOOD SHEPHERD LUTHERAN CHURCH CONGREGATION COUNCIL MEETING

Tuesday, May 21, 2019 – 7:00 PM

Preparing Our Hearts and Minds to Serve

Present: Pr. Amy Zalk Larson, Steve Holland, Kerry Johnson, Brooke Joyce, Nathan Larson, Bob Naslund, Jerry Bruce, Bob Felde and Jonathon Struve.

Devotions and Initial Actions: Steve Holland called the meeting to order at 7:00 PM. Steve Holland led devotions.

Bob Felde moved and Jerry Bruce seconded a motion to approve the agenda. Motion passed.

Consent Agenda:

Items in the Consent Agenda are designed to be approved by consent of the council without discussion or formal vote. The chair asks for objections to the items in the consent agenda. If there are no objections, these agenda items are then considered passed by consent. The council may choose to move an item from the consent agenda to the discussion agenda if council members feel a discussion is warranted.

Approval of the May 2019 Congregational Council meeting minutes.

Approval to grant Jenny Werner "Information Only" access to the Mission Assistance account at Decorah Bank and Trust.

Approval of Marie Freerking as a member of the Outreach and Hospitality Committee.

The Consent Agenda was approved by consent of the council.

Discussion Agenda:

Approve joint Depot Grant Application with Kinderhaus: Kinderhaus is interested in assisting Good Shepherd with some of the costs of renovating the building. They proposed that Kinderhaus write a Depot grant application on behalf of both Good Shepherd and Kinderhaus, which would enable us to pool our resources for a single larger grant. Brooke Joyce suggested that a representative of Good Shepherd should join a representative from Kinderhaus when the grant is presented. Bob Felde moved and Bob Naslund seconded the proposed joint Depot grant application. Motion Passed.

Approve Kinderhaus use of the fellowship hall if the classroom space is not complete by the start of the school year: A motion was made to approve the use of the fellowship hall by Kinderhaus in the highly unlikely event that the classroom space is not complete by the beginning of the school year, with the understanding that Church activities such as funerals and memorial services would take priority over the use of the fellowship hall. Motion Passed.

Approve of special appeal for Minister Stoles: At ordination, it is customary for congregations to give their seminarians a stole as a gift. Since Good Shepherd is sponsoring five seminary candidates for Ministers of Word and Sacrament and one Deaconess candidate, the council was asked to consider approving a special appeal to provide the gift of a stole for each of our current seminarians at a total cost of \$1,500. Congregation member Barbara Berg, who has woven Good Shepherd's paraments and a set of stoles for the church will weave stoles for our seminary candidates. Since she is retiring this summer, it is necessary to have these completed soon. A generous donor has offered \$500 to support this appeal, which will require a \$1,000 match from the congregation. A motion to approve this special appeal was made by Jerry Bruce and seconded by Bob Naslund. Motion passed.

Discussion of the Stewardship Committee's ideas and goals for the fall appeal: Jerry Bruce highlighted the committee's progress in developing this fall's stewardship campaign. The committee has chosen a theme: "Opening our Doors, Opening our Hearts," which will emphasize the building project and the way our mission goes beyond our doors into the larger community and world. A financial goal has been set, and the committee is in the process of developing materials for the campaign based on the Stewardship for all Seasons model.

Recurring Work of the Body – Committee, Pastor, and Officer Reports

The Committee Reports were received and accepted as submitted.

Youth Representative: No Report

Education Committee: Submitted by Bob Felde

A few families have committed to the June 21-23 Intergenerational Camping Adventure. Many activities are planned and members are invited to participate in these activities even if they are not camping.

VBS is scheduled from July 22-24 at the UCC from 5:30-7:00 PM. The theme is "God's Good Creation."

Outreach and Hospitality Committee: No report

Property and Management Committee: Bob Naslund

The roof furnaces will be primed and painted, with Erik Berg completing this work.

The committee is consulting with contractors for options to fix or replace the sidewalk in front of the building.

Stewardship Committee: Jerry Bruce

The committee discussed pursuing Depot Outlet and Community Foundation grants. Brent Parker will attend the Community Foundation grant writing workshop to pursue writing a grant for the proposed 2020 Boundary Waters Trip.

Worship and Music Committee: Bob Larson

Pastor Amy is considering employing the Narrative Lectionary as a possible structure for worship and preaching. Discussion about doing so is ongoing and will include congregation-wide conversation.

Pastor's Report: Pr. Amy Larson

The Ordination of Nathan Wicks is scheduled for Monday, June 24th at 3:00 pm at Good Shepherd.

It is requested that the Outreach and Hospitality committee be charged with accompanying our seminarians throughout their time in seminary and through the process of ordination, including planning ordination receptions, so that seminarians can have more ongoing connections with members.

The first summer book discussion went well, and a guest in worship who heard the announcement came to the book discussion. A discussion has begun with the Mosaic national office about a worship service geared for people with developmental disabilities and their families. The model they have developed is very participatory and multi-sensory, and it ends up being meaningful for a wide range of people, including families with young children. This may be a service that could be held once a month on a day other than Sunday.

President's Report: Steve Holland - No Report

Secretary's Report: Jonathon Struve - No Report

Treasurer's Report: John Moeller

Total income year to date:	\$117,292.95
Total expense year to date:	(\$154,677.96)
Net income year to date:	(\$37,385.01)

Treasurer's Note: Income versus expense is not a particularly helpful measure at this time because some of the expenses are from last year's income and some of the expenses are from our loans. If you subtract the building and HVAC expenses from our total expenses listed above, our operating expenses are \$96,218.93. Our total income, including \$3,541.67 in offering given in 2018 for 2019, is \$120,834.62. Without the building project expenses, there would be a net income of \$25,736.52. If giving continues at this rate, we will have approximately \$60,000 this year to apply toward the building project.
